

PLEXI DIVIDER FIELD INSTALLATION FOR REVEAL MERCHANDISER®

Instructions for field-installing a plexi-divider between Reveal Merchandiser® cases.

KIT INCLUDES: PLEXI DIVIDER, BRACKET, WASHERS, NUTS, AND SCREWS

1. On the left case, locate and remove the three screws on the right end of the case ceiling (FIGURE 1).
2. Install the plexi divider bracket using the same screws (FIGURE 2).
3. Remove protective film from the top of the plexi divider (about 6"). Position it on the right side of the bracket so the joining holes match (FIGURE 3).
4. Use the provided washers, nuts, and screws to install the plexi divider to the bracket (FIGURE 4). **Tighten until snug; do not overtighten.** Once the plexi divider is installed, remove the rest of the protective film.
